Dear Sirs,

The International Platu 25 Class Association is recognizing the persons listed below as Platu 25 official measurers for Lithuania, as per the current Platu 25 Class Rule clause B.1.3:

“B.1.3 Measurement costs are at the owner’s expense. Only official measurers recognized by the IPCA shall measure Platu 25 boats. Instructions to the measurers, if necessary, shall be given by the IPCA.”

- 1) Pijus Savickas
- 2) Arnas Maisiejus
- 3) Mantas Klimantavicius

These persons have attended a Platu 25 training course and are thus considered to be capable of measuring Platu 25 boats for certification purposes.

With thanks and regards

Edoardo Barni
IPCA President
